Graduation 1966

Jill Stroub, my Westlake sweetheart, and I were married in the summer of 1969 at the end of our junior year in college. We celebrated our 41st wedding anniversary this past August 16th. After graduation from Pace University, I joined the Army National Guard, did my six months active duty and returned home in October. On November 1st I began my 31 year career with Becton Dickinson & Company, a medical surgical instrument manufacturer out of East Rutherford, NJ. During my years with BD Jill and I lived in New York, Massachusetts, Florida, Maryland, and New Jersey. We were blessed with 5 children, three boys and 2 girls, and currently have 7 grandchildren with 2 more due in the spring. I took early retirement from BD in April 2002 and opened Snediker Enterprises, Inc., a consulting firm specializing in Business Process Reengineering. In January of that same year we also started a second company, Snediker Tree Service, with our eldest son, George, Jr., the resident tree expert and with Jill serving as the company President. In 2005 we built a 4 season log home on a lake in upstate NY where we live from April through October. We spend the remainder of the year in Maryland. I have traveled extensively throughout the US, North America, and Europe. I received my private pilot certificate in 1976 and enjoy all manor of outdoor sports. Jill and I are very much looking forward to re-connecting with our Westlake family!
